

Autumn Term	Spring Term	Summer Term
<p style="text-align: center;"><u>Toga-Tastic</u></p> <p>In this term we will be focusing on the Romans and their empire. We will explore what life was like before the Romans came to Britain and identify the changes that were made by them. In this topic we will also use our geography skills to identify Rome on a map and make comparisons to ancient Rome and Rome today. Our topic will also inspire our writing in English.</p>	<p style="text-align: center;"><u>I'm a Survivor!</u></p> <p>I'm a survivor will take us on a journey through the United Kingdom, over the sea, to a small island in Japan. We will be using our geography skills to locate Japan, learn about its mountains as well as its rural and urban areas. We will be reading Kensuke's Kingdom in shared reading lessons to inspire our writing across a range of genres. Kensuke's Kingdom is a story of survival, which we will learn more about in this term.</p>	<p style="text-align: center;"><u>Invaders and Settlers</u></p> <p>In this term we will be delving into the lives of Anglo Saxons and the Vikings. We will use our historical skills to learn about each of these groups, why they invaded, how they invaded and the impact they had on Britain. In addition to this, we will look at examples of sources to further develop our understanding. Towards the end of the term, we will use our DT skills to create a Viking longship.</p>

Music

Autumn 1 - Livin' on a prayer  
 Autumn 2 - Classroom Jazz 1 / Winter Themed Performance  
 Spring 1 - Make you feel my love  
 Spring 2 - The Fresh Prince of Bel-Air
