

| Autumn Term  | Spring Term  | Summer Term   |
|--|--|---|
| <p><b>Rocking Through the Ages!</b></p> <p>We will explore life in the Stone Age, Bronze Age and Iron Age. Children will learn what life was like for prehistoric man, explore the tools and art created during these times and learn about rocks and their properties. Children will learn the impact these ages have had on our lives today.</p> | <p><b>Globetrotters</b></p> <p>We will be focusing on geography skills to look at various climates around the world. We will be using map skills and also researching our local environment. We will be looking at fabrics and their patterns from other countries and creating biomes of different environments</p> | <p><b>Awesome Egyptians</b></p> <p>We will be looking at Egypt and investigating how pyramids were built and by whom. We will also be finding out how they preserved the bodies of their Kings and Queens and their burial rituals (mummification) as well as researching life in Ancient Egyptian times.</p> |
