

Autumn Term	Spring Term	Summer Term
<p>The Mysterious Maya</p> <p>Eagle and Falcon class will enter an ancient world, an ancient world of the Maya, which has influenced some areas of our life today. We will explore what it might have been like to live in that era and then compare our life today.</p> <p>We will be developing our questioning and investigation, through science, our reasoning and problem-solving skills, through maths and our communication skills through all subjects.</p>	<p>I'm a survivor!</p> <p>I'm a survivor will take us on a journey through the United Kingdom, over the sea to a small island in Japan. We will be using outside learning, drama, literacy games and pictures to stimulate ideas, as well as learn the skills necessary to survive. Our topic will take us through the curriculum, where our minds and body will be inspired to reach new heights and survive the amazing learning we will be completing in year 5.</p>	<p>Invaders and Settlers</p> <p>In this term we want the children to understand the full variety of Viking life and culture. They were so much more than the 'vicious Vikings' stereotype, which has been portrayed over the years. We will be investigating how the invaders to the United Kingdom embraced, enhanced and affected everyday life. We will explore settlements, investigate artefacts and culture.</p>

Year 5 Curriculum Map
