Merrylands Primary School and Nursery
PE and Sports Premium Grant Report 2017/18

Merrylands Primary School and Nursery PE and Sports Premium Information 2017/18

At Merrylands, we recognise the contribution of PE and sport to the health and well-being of the children. We believe that an innovative, varied PE curriculum and extra-curricular opportunities have a positive influence on the concentration, attitude and academic achievement of all our children.

Our Primary School PE and Sport's Funding will enable us to continue and extend our provision through employing additional sports professionals, entering into more competitive sports competitions and training our staff to deliver in-house quality PE sessions.

What is the Sports Premium?

The PE and sport premium is a government funding stream designed to help primary schools improve the quality of PE and sport activities they offer.

Schools receive PE and sport premium funding based on the number of pupils in years 1 to 6.

Purpose of the funding

The premium must be used to fund additional and sustainable improvements to the provision of PE and sport, for the benefit of primary-aged pupils, in the 2017 to 2018 academic year, to encourage the development of healthy, active lifestyles.

Primary PE and Sport Grant 2017/18

Objectives of spending PPSG

- Broaden the sporting opportunities and experiences available to pupils
- To encourage the development of healthy, active lifestyles
- To increase attainment in PE and sport
- To ensure sustainability in our PE and sports provision
- The profile of PE and sport being raised across the school as a tool for whole school improvement
- Increased confidence, knowledge and skills of all staff in teaching PE and sport

Record of PPSG spending by item/project 2017/18
