

As we are at the end of another school year, I would like to give my heartfelt thanks to you for your continued support, particularly in my first year as Head of School. We are hugely proud of the children who are a real credit to Merrylands and to you as parents and carers.

Our Year Six results are above the national percentage for children achieving the expected standard in all three subjects of Reading, Writing and Mathematics. This represents an incredible achievement for the children, especially given the new curriculum which has raised the standards required, considerably. Outstanding teaching in every year group is evident in the children's success and is testament to their hard work and the skill and dedication of all the staff.

Sadly, we will be saying goodbye to two fantastic teachers at the end of this term. Mrs Lockwood who is taking time away from teaching to care for her two young children and Mr McKie who has taken promotion at a school in Thaxted. We wish them both well in their ventures and they will be missed by all at Merrylands

Enjoy a restful and enjoyable summer and I look forward to seeing you all on TUESDAY 5th SEPTEMBER.

Miss Fisher

Congratulations to Year 6

In May this year the children in Year 6 took their SATs. We are absolutely delighted with the results! All the children worked extremely hard and the vast majority met or exceeded expectations. They should be very proud of their achievements. For your information I am providing you with details about the percentage of pupils achieving 'at least expected' at the school compared to National and Essex results as well as a comparison to last year's results.

Subject	Merrylands 2017 Expected Standard	Essex 2017 Expected Standard	National 2017 Expected Standard	Merrylands 2016 Expected Standard
Reading	80%	73%	71%	54%
Writing	88%	78%	76%	83%
Grammar, Spelling and Punctuation	92%	79%	77%	71%
Maths	87%	76%	75%	63%
Combined*	77%	63%	61%	41%

* Combined means the percentage of pupils who achieved 'at least expected' in Reading, Writing and Maths.

WINNERS!
