Dear Parents/Carers,

Welcome to Merrylands Primary School and Nursery. We are delighted that your child will be joining us in September 2020.

We take a lot of care in planning your child's transition from their home and pre school/nursery settings and completely understand that this is an important milestone. As a school we strive to make it an exciting and enjoyable experience for both the children and their parents and are aware that you may have many questions, particularly if this is your first child to attend school.

In normal circumstances we would be offering an initial meeting to meet with you as well as a follow up taster session when your child would come into school to meet their teacher in the class setting. This we are still hoping to do, but as the school is currently closed due to the Covid19 virus we may have to look at alternative options as to how a welcome meeting is conducted, such as holding a series of smaller sessions.

We will continue to keep you updated via email but in the meantime please confirm by email your acceptance of your child's place at Merrylands **before Friday 1st May 2020**.

If you require any further information please do not hesitate to email admin@merrylands-pri.essex.sch.uk.

Please keep safe and we look forward to meeting you very soon.

Yours sincerely,

Mrs Robinson
Headteacher
