### Donations

Dear Mr Tobin, Staff and Pupils

I am writing to thank you all for the very kind donations delivered here by Sarah Potts and Alison Woodley today, following your Harvest Festival celebrations.

Without the tremendous generosity of your organisation and other likeminded groups and individuals, the Centre team would not be able to continue providing emergency parcels to those in crisis locally. During 2017 the Centre gave out 936 sets of parcels.

Your kindness is really appreciated and I would be pleased to hear from you should you wish to collect at Christmas or Easter time. Every tin, packet or £1 coin helps someone in need in our local community.

Many thanks again.

Yours sincerely

Maggie Viney  
Centre Manager
