Pupil Premium Grant Funding Allocation

2021-2022

Merrylands Primary School and Nursery Pupil Premium and Early Years Pupil Premium Grant Funding 2021/22

Both Grants are additional funding given to publicly funded schools in England to raise the attainment of disadvantaged pupils and close the gap between them and their peers.

At Merrylands Primary School we believe that teaching and learning opportunities must meet the needs of all the pupils to ensure we provide the very highest standards of education for every child. It is also our belief that we want to provide children with opportunities they may not always have, particularly for those children who may be socially disadvantaged.
